

**PILING AND FOUNDATION
SPECIALISTS FEDERATION**

ABN: 59 101 292 997

PILING & FOUNDATION SPECIALISTS FEDERATION

MISSION STATEMENT

1. Reduce the accident rate in the industry through the sharing of knowledge between members and consultation with relative authorities, unions etc.
2. To develop practical and technically sound codes of practice.
3. To develop safe, practical and technically sound specifications for the industry and to promote their adoption by contractors, engineers and authorities.
4. To develop, adopt and promote fair, reasonable and standard industry terms and conditions in contract documentation based upon identifiable Australian standards.
5. The introduction of a 'zero retention' policy which has been adopted by other Federations overseas.
6. To foster and improve employee relations and to develop and adopt equitable enterprise agreements.
7. To promote skill, training and accreditation of employees in all aspects of geotechnical construction.

***PROMOTE AND MAINTAIN THE HIGHEST STANDARDS OF WORKMANSHIP,
SAFETY, TECHNICAL EXPERTISE AND CONTRACT CONDITIONS AND TO
BENCHMARK PRACTICES.***
