

Australian owned

and proud of it!

Wagstaff Piling VIC Pty Ltd
A.B.N. 38 634 382 675
Civil Engineers
and Piling Contractors

Ref: ATH/AMK2021-936/adm

16th March 2021

To Executive Director PFSF & Workplace Training Centre

REDACTED has been employed by Wagstaff Piling for twenty-six years in the roles of Operator and Supervisor. He is an experienced piling rig operator, working in this capacity for 15+ years.

Due to the experience that **REDACTED** has had with Wagstaff Piling he is hereby verified as competent and experienced by Wagstaff Piling with respect to the following foundation techniques and piling rigs:

- Banut 800 series - Driven
- Bauer BG7 - Bored
- Bauer BG12 - Bored
- Casagrande B100 - Bored
- Casagrande B135 - Bored
- Casagrande C50 - Bored & Diaphragm Wall
- Casagrande TRD100 - Bored
- Casagrande C600 - Bored
- Casagrande B400 - Bored

REDACTED is a competent piling rig operator and is able to follow company procedures safely.

It is understood that this letter of verification of **REDACTED** as an experienced piling rig operator removes the need for **REDACTED** to carry out the supervised logbook component of the training course and that the PFSF and the RTO delivering the course, Workplace Training Centre are relying on this verification to be true and correct.
